ARIZONA DEPARTMENT OF REVENUE OFFERS TAX FILING AID FORUM

The Tax Season is upon us. To ease the pressure preparing income tax returns, the Arizona Department of Revenue announces today it is hosting a community forum at locations in the Phoenix Metropolitan and Tucson areas. Topics will include:

- How to choose the best software to fit individual needs
- Finding low cost software - with fees as low as \$7 for state AND federal income tax returns
- See if you qualify for free online tax preparation and e-filing
- Tips on electronic filing
- How to get refunds faster and many more helpful hints

"Taxpayer feedback tells us preparing tax returns can be difficult and time-consuming," explains Director Gale Garriott. "These forums will address many of the uncertainties taxpayers may have."
